SPRING FEVER GETS MICKEY!

Mickey Rooney and Helen Gilbert in a scene from "Andy Hardy Gets Spring Fever" that will open Sunday at the Redwood Theater. "The Saint in London" will complete the program.

'BIGGEST CARD PARTY EVER'

VFW Auxiliary Sponsors Event November 1 As Benefit for Sports Field

What its sponsors confidently believe will be the "biggest card party ever held in Redwood City" will be staged Wednesday, Nov. 1, as a benefit for the Recreation Fund Committee's building fund for the new recreation center.

This was announced here as members of the Ladies' Auxiliary of the Veterans of Foreign Wars, Corp. James Lindsay Wilson Post 2310, disclosed plans to promote the evening of fun.

All proceeds will go to the building and development fund for the new sports field, being purchased by the city council but to be developed with private funds.

The affair will be held in Forester's Hall on Middlefield Rd., which is being donated for the occasion.

In the belief that popular support can be won for such an event, the committee in charge, headed by Mrs. Albert Palmtag, is having 1000 tickets printed. They will be placed on sale tomorrow, at 25 cents each.

Approximately 100 prizes will be offered for players at whist, Mrs. Palmtag said. Local merchants are invited to contribute prizes so that all funds received may be turned over to the recreation center building fund. Contributions should be left at the office of the recreation building (old library) on Broadway.

Working on the committee with Mrs. Palmtag are Mrs. Ray Bolton, president of the auxiliary; Mrs. Joe S. Farr, Mrs. Harvey Robbins, Mrs. Thomas Flores and Mrs. John W. Dean. They are being assisted by members of the RFC, which is headed by Ole S. Oleson as chairman.

The event is the second benefit definitely planned for the RFC, the Community Players having scheduled a play, "Three Men on a Horse," to be presented Nov. 17 and 18 at Sequoia High School. In addition, the Women of the Moose are considering plans for a second card party.

Improvement Club Favors Traffic Plan

A resolution indorsing the Burlingame Chamber of Commerce's initial move to speed up rail and highway traffic on the Peninsula was adopted by the Greater South Redwood Improvement Club at a meeting in the Washington School last week. Plans for a whist party for Nov. 4 were made. The organization also voted $5 towards the Community Chest fund.

McNutt Rules Citizens Have Election Right

County Manager Frederick Peterson has failed in his attempt to block by superior court action the special Nov. 7 charter amendment election to abolish his $6000-a-year office at the end of his current term.

Judge Maxwell McNutt, who Monday heard arguments on Peterson's petition for a writ of mandate, handed down a decision Tuesday in which he found that the proposed ballot proposition was clear, and that to rule against the sufficiency of the election proceedings would be to rule against the right of popular self-expression.

Immediately after receiving the decision, County Clerk W. H. Augustus proceeded with plans to conduct the election in conjunction with the special state election.

APPEAL PONDERED

Peterson said he would confer with his attorney, Joseph J. Bullock, before announcing whether or not he would appeal. Bullock had no comment.

However, it was pointed out at the courthouse that there was small likelihood that an appeal could be made and decided in time to prevent the election. It was considered improbable that the appellate court would grant a temporary restraining order in view of the trial court's action.

Bullock had attacked the ballot proposition as deceptive because it declared the office of executive was "hereby abolished" yet permitted the "term and tenure" of the executive to continue until January, 1943. He also contended the election ordinance was irregularly adopted, and that the language of the charter amendments and of the ballot proposition was at variance. (See page 3 for full report of yesterday afternoon's court session).

McNUTT'S DECISION

Ruled Judge McNutt: "The complaint is that as a result of an inharmony among the resolutions, the ordinance and the ballot, the people are not informed as to the question upon which they are to vote. Further, it is contended that the ordinance does not set the voting places, or name the election officers. It is true that there is a lack of identity in diction among the documents referred to.

"However, the question to be passed upon is plain, to wit: Shall the charter office of county executive cease to exist on Jan. 4, 1943, yes or no. Were I to conclude that the voting places and election officials had not been drawn into the ordinance with sufficient formality, I should be ruling against rather than in favor of the right of popular self-expression, when, bear in mind, charters are adopted to let the people declare at the polls how they wish to be governed.

"The order to show cause is discharged and peremptory writ of mandate denied."

Shortridge To Speak At Armistice Rites

MENLO PARK, Oct. 10—When Camp Fremont, army cantonment of World War Days, lives again Armistice Day, former U. S. Sen. Samuel Shortridge, resident of this community, will be one of the speakers at the annual celebration, according to L. L. Johnston, general chairman.

Parades, a barbecue, and a dance will be on the day's program, in addition to the ceremony at Camp Fremont Memorial Park, which was donated to the city anonymously and dedicated by former President Hoover last year.

Leslie Royse Burns to Death In Cabin Blaze

Leslie Royse, 33, former Redwood City resident and son of Mrs. Maude E. Royse of Redwood City, died a hero's death Tuesday as he vainly attempted to rescue his roommate known as "Mac" MacKenzie, about 50, from a burning one-room cabin in the East Monterey suburbs.

According to Associated Press dispatches from Monterey, the position of the men's bodies indicated that Royse discovered the fire and perished while trying to carry his companion to safety. Both men were burned to death.

The fire broke out during the night. Neighbors supposed that the cabin was unoccupied at the time. Their efforts to quench the fire by a bucket brigade failed. After the flames were finally subdued, the bodies of the men were found.

Both Royse and MacKenzie were employed as caddies at golf courses in Monterey.

Royse, the brother of Harry Royse and the son of the late Maj. Frederick A. Royse, had not lived here for two years. His mother and brother are prominent in work of veterans' organizations in Redwood City. Major Royse was a retired U. S. Army officer.

The Royse family home is at 636 Vera Ave.

DITTMAR TRIAL ON FRIDAY

Fred Dittmar, former Peninsula resident, will be tried Friday on charges of possessing a gun, carrying red lights on his automobile, and five other charges growing out of a row between Dittmar and a deputy sheriff who attempted to serve a writ of attachment on him.

CLAIM FOR TRADE MARK

TO ALL WHOM IT MAY CONCERN:

Be it known that J. C. GRIFFITHS, JR., of Middle Avenue and El Camino Real, Menlo Park, State of California, being engaged in the business of wholesaling and retailing petroleum products, adopted for his use a trade mark, of which the following is a description:

This trade mark consists of the word "WURL-WIN."

It has generally been arranged as shown in the accompanying facsimile:

WURL-WIN

This trade mark has been continuously used in the State of California since the 10th day of August, 1939.

The class of merchandise and the particular goods upon which the trade mark is used is petroleum products.

The trade mark is applied or affixed to the goods or containers thereof by signs affixed to containers.

J. C. GRIFFITHS, JR.
Owner—Menlo Oil Co.

VERIFICATION

STATE OF CALIFORNIA } ss.
County of Santa Clara }

J. C. GRIFFITHS, JR., being duly sworn, deposes and says that he is located and doing business at Middle Avenue and El Camino Real, Menlo Park, State of California. That the said J. C. GRIFFITHS, JR., is the exclusive owner of the TRADE MARK described in the specification accompanying this affidavit, and he petitions that the said Trade Mark may be filed in the office of the Secretary of State of the State of California, in accordance with the law in such cases made and provided.

J. C. GRIFFITHS, JR.,
Owner—Menlo Oil Co.

Subscribed and sworn to before me this 28th day of September, 1939.

FRANK LEE CRIST,
(SEAL)
Notary Public in and for the said County of Santa Clara, State of California.

'ALL QUIET ON WESTERN FRONT' REVIVED FOR SEQUOIA SHOWING

Following the engagement of "Thunder Afloat," with Wallace Beery, at the Fox Sequoia Theater this Sunday, Monday and Tuesday, Manager Hal Honore' announces the revival showing of "All Quiet on the Western Front," in its uncensored version. This picture, perhaps the greatest epic of wars, with a vital message to all who are inclined to think that war is the only solution to international differences, should be seen by every thinking person. "All Quiet," will ge shown on Wednesday and Thursday only..

Herewith is a review, printed in a San Francisco newspaper, as written by John Hobart, dramatic critic, in which his views are clearly brought to light.

Today one watches "All Quiet on the Western Front" with a sense of frustration and despair. Nine years ago, when this greatest of all war films was first shown, it seemed that its mighty denunciation of war, uttered with such eloquence, might do some good, might help, in its way, to prevent a second world catastrophe.

For it was a picture which left its mark on everyone who saw it. Make no doubt about it—"All Quiet on the Western Front" has not lost one vestige of its greatness during the last nine years. It is as unquestionably a masterpiece today as it was in 1930.

Erich Maria Remarque's story of the young German boys caught up in the savagery of war is still agonizing on the screen, and no war film before or since has ever approached it in the brutal realism of its battle scenes, in the humanity with which it portrays the common soldier, or in the hot anger of its preachment against the meaningless butchery of young men in their prime.

Scene after scen in "All Quiet" is unforgettable—the one in which Paul Baumer (played by Lew Ayers in his pre-sophistication days) faces the accusing stare of the dead French poilu in the shell hole; the one in which his friend, Franz, dying in a hospital cot, discovers that his right leg has been amputated; the bitter homecoming of Paul and his speech to the schoolboys; the death of good old Kapczinsky (played by the late Louis Wolheim), and that famous, final scene of the hand reaching for the butterfly and the sniper's bullet.

Technically, "All Quiet" has weathered the passage of time remarkably well.

Photostatic Copies Made of Certificates

Equipment for taking photostatic copies of birth and death certificates has been installed in the county health and welfare department for a trial period. Dr. C. C. Gans, health and welfare director, who has been made vital statistician for practically the entire county, said his office is required to make a number of copies of the certificates, and photostating will be tested for efficiency.

CASKET BURIED AGAIN

CAIRO (AP)—The sarcophagus of King Tutankhamen and the jewelry and furniture found in his tomb early in the century have been buried again—this time in bombproof shelters.

FOR GIRL LEFT BEHIND

TRURO, England (AP)—Memory lockets, suitably inscribed, are being bought by the score as gifts from soldier to wife or sweetheart, jewelers say.

NEWS MENLO PARK

St. Joseph Parochial School's attendance has been so large this semester that no more pupils can be admitted. There is no more room. A building program may be arranged next year to accommodate the large waiting list. The school has a splendid record of achievement.

The total rainfall for the season is 1.27 inches as compared to .52 inches at this time last year, according to the rain guage at the Southern Pacific depot.

John Clute, who was killed in an automobile accident above Sacramento last Sunday, was well known in Menlo Park, having visited his brother, Bert Clute, who was stationed in Menlo Park for 14 years. Miss Cora Clute, who was seriously injured, also is known here, having been a guest of the MacBains in years gone by.

Armistice Day, Nov. 11, will be observed in Menlo Park. Under the auspices of the American Legion, a splendid program of patriotic exercises will be held. A parade through the principal streets of the city will begin at 11:30 o'clock and break ranks on the recreation park at Fifth and Santa Cruz Ave. Samuel M. Shortridge will deliver the oration. John Francis Neylan has been invited to speak and will follow Mr. Shortridge. After the speaking a program of songs and recitations will be rendered. At the close of the program, a barbecue and dance will take place on the grounds. Larry Johnson is chairman of the day and he is working hard to make the occasion a complete success.

The city trustees, at a meeting held Tuesday evening, awarded a contract to L. C. Smith of San Mateo to pave Middle Ave., for the sum of $5063.97. The street is about one mile in length and is heavily traveled. Work will start at once. When completed it will be one of the finest avenues in Stanford Park.

Mrs. John Aabel, a prominent clubwoman of Menlo Park, will leave Sunday for her old home in Detroit to spend six weeks with the scenes of her girlhood. She will view again the old home and schoolhouse from which she graduated 25 years ago. Many relatives still reside in the community as well as childhood friends. It will be a happy reunion for all.

The duck season opens Oct. 22. From all reports birds are plentiful in the local marshes and there will be good shooting for the open season of six weeks.

Sheldon, Former Patrolman, Killed

Mrs. Adeline Methvin of 39 Oxford St., Redwood City, returned to her home here Tuesday after attending funeral services Monday at Sacramento for her brother, Robert Lee Sheldon, California Highway Patrol Officer in Redwood City a half dozen years ago and later a captain and inspector for the state bureau.

Mr. Sheldon, who was 41, was killed Friday when he slipped and fell beneath a train he was trying to board at Redding. He had been living in Sacramento, having retired from the patrol three years ago due to ill health.

Surviving relatives, besides his Redwood City sister, include Mrs. Margaret Irene Finn of Daly City and Mrs. Bessie Halg or Sacramento, sisters; Byron Sheldon of Vallejo and Russell Sheldon of Palermo, brothers; Robert, Billy and Lorraine Sheldon, his children, and his father, William Sheldon of Turlock. Mr. Sheldon belonged to the Masonic Lodge at Vacaville. He was a veteran of the World War.

At the private rites, pallbearers were Highway Patrolmen Tom Burmingham, Carl Thunberg, Charles Laporte, Orin Corbley, Charles Patchen and Tom Taylor.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912

of Redwood City Times-Gazette, published weekly at Redwood City, California, for October 1, 1939.

State of California, County of San Mateo, ss.

Before me, a notary public in and for the State and county aforesaid, personally appeared Sam H. Winklebleck, who, having been duly sworn according to law, deposes and says that he is the business manager of the Redwood City Times-Gazette, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption required by the Act of August 24, 1912, embodies in section 411 Postal Laws and Regulations, printed on the reverse of this form, to-wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are:

Publisher, D. E. O'Keefe of Menlo Park; editor, same; business manager, Sam H. Winklebleck, Redwood City, Calif.

2. That the owner is: D. E. O'Keefe, Menlo Park, California.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: None.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which the stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of bona fide owner; and this affiant has no reason to believe that any other person, association or corporation has any interest direct or indirect in the said stock, bonds or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed through the mails or otherwise to paid subscribers during the six months preceding the date shown above is (This information is required from daily publications only).

SAM H. WINKLEBLECK,
Business Manager.

Sworn to and subscribed before me this 2nd day of October, 1939.
(Seal) VERA M. CLEMENTS,
Notary Public in and for County of San Mateo, State of California.
My commission expires November 3, 1941.

New Route For Junipero Serra Road Proposed

BURLINGAME, Oct. 12 — A new route for extending Junipero Serra Blvd. down the Peninsula—a project that has been bitterly protested by residents of areas through which the former projected route passed — was suggested here by City Manager Earl Wilsey.

Prepared by Engineers James S. James and Robert Klassen, the new route for the high speed thoroughfare which someday will reach through to Santa Clara County avoids residential districts all along the Peninsula and overcomes many of the objections raised by the earlier course of the road.

The route was laid out by the engineers for residents of Hillsborough and with the co-operation of the City of Hillsborough.

From the Sneath Lane junction, the new road will join the Skyline Blvd. south of the junction of that highway with the Crystal Springs Rd. It would be joined with the Skyline until it turned off to follow the Hillsborough city limits and cut down through the county relief home canyon at its junction at Canada Rd. and Belmont. It would then follow Canada Rd. to Woodside, and from there would cross Stanford University property until it hit San Francisquito Creek just west of the Stanford golf course.

Ham and Eggs Debate Slated Next Week

A debate on the Ham and Eggs pension plan has been arranged by the Retirement Life Payment Association for Tuesday, Oct. 17, at 8 p. m. at Burlingame High School. Charles J. Husband, member of the faculty of Southwestern University, will uphold the plan, and John G. Iliff, San Mateo Junior College instructor, will oppose the scheme. Each will answer questions afterwards.

Dr. Alan Benner will preside. To prevent "packing" of the auditorium by either faction, admission, although free, will be by ticket which may be obtained either from Ham and Eggs Headquarters, 316 Lorton Ave., Burlingame, or from Professor Iliff next Monday at the Junior College Forum.

Preceding the debate, a half-hour program will be presented by Helen Hughes' World's Fair Exposition Review, a juvenile production.

Plans Considered For Sports Field

Discussion of tentative plans for improvements on the 21-acre new recreation center site, on the O'Dea Tract south of Chestnut St. and west of Bayshore Hwy., was the principal business before the Redwood City Parks and Recreation Commission Tuesday night. No definite action was taken, as the commission scanned suggestions sent by the National Recreation Association.

At the suggestion of Charles H. Holt, the commission is to investigate the possibility of securing as salvage from the Golden Gate International Exposition certain equipment that may prove valuable in development of the center.

City Manager C. L. Dimmitt revealed that repairs to the nets and surface of the Mexes Plaza tennis courts will be completed this Winter.

One "Apartment for Rent" want ad is worth 100 window cards, phone 2000.

Realty Regulation Is Held Invalid

Local real estate brokers, who have been rushing to comply with a recent order from State Real Estate Commissioner Clarence Urban concerning the use of the words "licensed real estate broker" on calling cards and signs and in advertisements were advised Monday in Oakland by the attorney for their real estate association that the commissioner has no right in law to issue such an order.

Sen. Sam Breed, attorney for the State Real Estate Association, said that the commissioner's order that real estate brokers, effective immediately, must put the words "licensed real estate broker" on their cards and signs and in their advertisements, was not according to law and that brokers would be within their legal rights by refusing to comply, Merrell reported.

Miss Abbott Elected To Head State Group

Pansy Jewett Abbott, San Mateo County school superintendent, was elected president of the City, County and District Superintendents' Association of the State of California at the convention held in Del Monte last weekend. This is the highest honor that can be accorded a superintendent for educational service.

FILBERT TAKES VACATION

Dep. County Controller George Filbert and his mother, both Redwood City residents, are in San Diego on vacation. Filbert plans to return to his desk Monday.

Local Officers Are Retained

If you are a woman and your husband belongs to the American Legion, that alone doesn't make you a member of the auxiliary—

If you are a man and your wife belongs to a church, that alone doesn't make you a member of that same church—

For similar reasons, if your husband or wife belongs to the Red Cross, that alone doesn't make you a member—

This was the message given to local Red Cross workers Tuesday at the annual meeting of Redwood City Chapter.

The speaker was Miss Mary Jones of San Francisco, field director for the National Red Cross.

ALL ADULTS SOUGHT

Pointing out through statistics and illustrations how much greater the need may be this coming year for volunteer workers and funds, she urged the dozen persons present to strive to increase the membership of the local chapter by getting both adults in a family—and juniors too for that matter—to join.

Already, Miss Jones disclosed, $250,000 had been appropriated by the National Red Cross to aid the war-torn countries in Europe, the French, Polish and British soldiers, and refugees in Rumania, Hungary and Lithuania. For aid to Athenia survivors alone, $20,000 has been appropriated for hospitalization and to get the victims of the ship-sinking home.

"More members and more money are needed," she declared. "Stress the fact that it should be a privilege to be a part of the Red Cross—the biggest humanitarian organization in the world which hears only one cry—suffering—and gives only one answer—service."

OFFICERS RE-ELECTED

Her talk, in which she described also the development of first aid stations, the part the Red Cross played in 157 domestic disasters last year, the work it has done in reducing home accidents, and the part it played in China and in Spain in aiding the wounded, capped a session at which all officers of the chapter were re-elected unanimously and committee reports were heard.

The officers are Mrs. Z. T. Thorning, president; Mrs. Richard Schmidt, vice president; Mrs. Mary Winter, secretary (for the 38th consecutive term); Mrs. I. C. Drathman, treasurer; Mrs. Morris Cooper, J. D. Hedge and Thomas W. Cutting, executive committee members.

Re-elected to the board of directors were Mrs. Schmidt, Mr. Hedge, Mr. Cutting, Mrs. Harry Potts, Andrew Spinas, D. R. Stafford, Harold F. Anderson, J. V. Neuman, John Volpiano.

The meeting was held in Central Firehouse Auditorium.

FIRE DEPARTMENT CALLED

Summoned Sunday morning to what they were informed was a roof fire, Redwood City firemen found instead that a chimney at 522 Roosevelt Ave. had merely become overheated. No damage occurred.

School Tourists at S. F. Fair

History, geography, science, art, and all other classroom courses take on a new meaning to California's school children after a day or two spent on Treasure Island. This rolling chair load of San Leandro students is on its way to the Palace of Fine Arts, to study the priceless paintings of Michaelangelo, Raphael and other Italian masters. Later in the day they'll learn about the wonders of chemistry, medicine and electricity in the Hall of Science, and make a complete coverage of Treasure Island's educational exhibits and displays. These students came to the Fair with 2000 others recently, on the special Fall School Tour plan made available to all schools in California by the Golden Gate Exposition until November 3. Each student making the World's Fair Tour is given school attendance credit, with the complete approval of the State Board of Education. (Note: The rolling chair costs extra.)

Columbus Day Ball, Armistice Plans Made

Plans for a Columbus Day Ball and for participation in Armistice Day events were announced here by the Italian-American Progressive Club of Redwood City.

The Columbus Day Ball will be held this Saturday evening at Foresters' Hall, under the direction of the club's Columbus Civic Committee.

On Armistice Day, the club will have a marching unit in the parade to be held at Menlo Park Nov. 11, then in the evening will join the Liberty Club of Redwood City in a joint banquet and dance at Liberty Hall. The banquet will begin at 6:15 p.m., the dance at 9.

Hillsborough Pilot In Forced Landing

Lieut. Edwin Walter, U. S. Naval Reserve, a resident of Hillsborough, narrowly escaped injury Tuesday in the forced landing of a Curtiss Scout plane at Weaverville airport. Walter, pilot of the plane, and his mechanic, Albert E. Schrumpf of Oakland, both escaped injury when the plane landed with its retractable landing gear up.

The plane skidded 100 feet but did not turn over. Damage to the fuselage and propellor was so extensive that repairs could not be made at the airport.

Walter is a broker with offices in San Francisco. He flew to Weaverville to speak as a Navy representative at a luncheon meeting of service clubs.

Motorist Killed When Car Is Hit By Fast Freight

BURLINGAME, Oct. 10 — Succumbing to injuries incurred last night when his automobile was struck by a freight train in Burlingame, Ellsworth F. Carleton, 49, advertising manager of a San Francisco grocery firm, today became San Mateo County's 55th traffic accident victim of 1939.

Mr. Carleton, a resident of Burlingame, died at 12:07 a.m. at Mills Memorial Hospital. He had incurred a broken leg, arm and scalp wounds and internal injuries.

Mr. Carleton's machine was dragged a hundred feet down the right-of-way by the fast southbound freight, which struck the car at the Bayswater crossing. The motorist was thrown clear of the wreckage.

Burlingame police said that he apparently had been crossing the tracks from west to east as skid marks on the pavement next to the tracks indicated that he had made a desperate effort to turn out of the path of the train.

Mr. Carleton's family said they did not know where he was going; that he had left the house a short time before, members of the family having preceded him on their way to a moving picture.

Mr. Carleton is survived by his wife, Leila Carleton; a 13-year-old son, James, and a daughter, Mrs. O. L. Schmidt of Burlingame. A brother from Portland is expected here today to make arrangements for the funeral services. The body is at the Frank C. Wyckoff chapel on Park Rd.

Manufacturing Census Slated

A census of manufacturers, to be taken by the Bureau of the Census of Washington, D. C., will start in Redwood City Jan. 2, 1940, according to information received by Chamber of Commerce Secretary Roscoe D. Wyatt.

The survey of business concerns of the city will be a part of what is expected to be a complete nationwide survey of American business. It will be the first business census taken since 1935, and is expected to require about five months.

Peninsula's Picture Seen by Thousands

Second showing of San Francisco Peninsula Inc.'s color film, "Let's Go Exploring," was presented before an estimated 10,000 visitors to the Mission Trails Building the last half of September, it was estimated today by SFPI officials.

Mozart, the musician, is said to have worn woolen socks on his hands because he lacked money to buy gloves.

$2000 in Damage Done by Blaze At Menlo Park

MENLO PARK, Oct. 10—Flames which apparently started from spontaneous combustion swept through the garage of a Menlo Heights suburban home owned by Capt. J. F. Talbot at 10 o'clock last night, gutted the rear portion of the structure and sent blinding swirls of smoke through the building, resulting in damage estimated at $2000.

Crackling of flames was heard by neighbors 75 feet away. They turned in the fire alarm immediately and two engines from Menlo Park and Atherton reached the home within three minutes to find the entire garage in flames.

Fire Chief Thomas F. Cuff, three miles away at his residence near the Atherton Town Hall, saw the reflection of the fire just as the alarm was turned in.

Fortunate for the firemen and perhaps the entire neighborhood was the fact that boxes of heavy ammunition which were stored in the garage withstood terrific heat, for they might have exploded. Boxes containing a valuable collection of rifles and guns were believed undamaged.

Mrs. Talbot, wife of Captain Talbot of the United States Marine Corps, who has just been recalled to active duty in St. Louis, and their daughter, Marguerite, were at a theater in Redwood City. They returned home almost immediately after the arrival of fire equipment.

The blaze, which apparently had been smouldering for several hours, started in one corner of the garage, which is attached to the house. The fire destroyed a washing machine, laundry machine, power saw, and a score of valuable "court and order books" stored away by Captain Talbot.

Fingerprint Campaign Set for High School

A fingerprinting campaign among Sequoia High School students will get under way as soon as arrangements can be completed by the Redwood City Citizens Fingerprinting Committee which planned the drive Tuesday night.

William Hogan, chairman, said student speakers will interest as many as possible in the campaign.

Pictures showing the techniques of printing, issued by the Federal Bureau of Investigation offices, also were shown.

The committee will meet again next week to consider extending the printing drive to adult civilians, Hogan said.

Confession Made to D.A.

A 20-year-old San Francisco youth who gave himself up on his mother's advice today faced two serious charges as the result of his wild ride Sunday down the Peninsula on Bayshore Hwy. while a South San Francisco policeman vainly tried to overtake him.

Held in San Mateo city jail in lieu of $1000 bail is Don Brady, stepson of a San Francisco garageman from whom he had just bought the car which police had learned still bore the registration of a Glendale man.

Making a clean breast of the whole affair to Dep. Dist. Atty. Louis B. Dematteis in a two-hour questioning Tuesday afternoon, Brady admitted, according to Dematteis:

SEES MAN THROWN OUT

That he was the driver of the machine which struck the car of Gino Belluomini of San Francisco at Third Ave. in San Mateo, severely injuring Leslie Brilliant, 36, also of San Francisco, when he was thrown out of Belluomini's car.

That he saw the man tossed from the machine, but sped on south, leaving the Bayshore near Bay Meadows and cutting over to the Skyline Blvd., returning home by a circuitous route.

That he had been drinking.

The youth denied that he had traveled more than 68 miles an hour although Policeman August Terragno of South San Francisco said he had been unable to overtake him despite the fact he drove 85 and 90 miles an hour. The youth also said he did not know the policeman was chasing him.

TWO CHARGES FACED

Facing young Brady are charges of felony hit-run driving, in connection with the San Mateo accident, and reckless driving for speeding through South San Francisco.

It was after he confessed to his mother, Mrs. Emily Keihl, Monday night that he had been involved in the mishap that he decided to surrender. She contacted Probation Officer Francis Robinson because of the fact she had become acquainted with him on a previous occasion when the youth was questioned in connection with a car theft, Dematteis said. No charges were preferred against him at that time, however.

A 16-year-old San Francisco boy hitchhiker whom Brady picked up on the highway accompanied the youth and his mother to the district attorney's office on advice of Robinson.

Emerald Lake Blaze Blamed On Incendiary

With definite evidence of incendiarism in their possession, county firemen this week sought occupants of a tan coupe as suspects in a blaze which burned two acres of grass near an Emerald Lake home Sunday.

The evidence consisted of a cigarette to which had been attached two matches with adhesive tape. The device was found at the edge of the burned grass by Dep. Fire Warden Ernest Werder. Apparently the cigaret had ignited the matches after being thrown in the grass.

Blackened was a parcel of land 50 feet from a house on the Emerald Lake fairways.

The coupe, seen by neighbors near the scene of the fire, is believed to be the same car seen near a series of Woodside blazes last week.

Another fire burned two acres near Belmont when a rubbish blaze got out of control. No damage occurred.

RECORD CEMENT-POURING JOB FOR HOOVER WAR LIBRARY ENDS

STANFORD UNIVERSITY, Oct. 9—Workmen stood back today after 32 hours of continuous cement pouring on the foundation of the new Hoover Library for War, Peace and Revolution, and expressed themselves as completely satisfied with the huge slab of concrete which will be directly underneath the 273-foot tower of the structure.

The massive section contains 23,625 cubic feet of cement, or nearly 3,000,000 pounds, and is believed the largest single section of cement along the Peninsula with the exception of the concrete in the San Mateo dam.

Workmen worked in three eight-hour shifts starting last week until they had completed the job.

The concrete slab varies in depth from 5½ feet to 11½ feet, the deeper section running roughly in the shape of a cross.

"We are all ready for the steel work now," said John Leavers, in charge of construction on the $600,000 library. "We are expecting some steel today and it will keep coming in from now on."

Immense telegraph poles, specially designed for steel construction work, were being swung into place, and the derricks to hoist the steel will be moved in shortly after.

Atherton Woman Aids At Christening in Air

Mrs. Robert Merritt of Atherton was godmother at a novel christening Sunday 2000 feet above Treasure Island.

Fred Carroll, San Francisco ice cream manufacturer, decided suddenly upon the christening, made arrangements with United Air Lines for a "Mainliner" plane, and a few minutes later the christening party took off from Oakland Airport.

Fred Carroll Jr., five months old, was christened by the Rev. William T. Gillespie of Berkeley. Witnesses included Clayton Joyce, captain of the airplane, Co-pilot Gene Oliver, Stewardess Vera Smith, Dr. and Mrs. James Schooler, Mrs. Richard Hamilton and Robert Merritt. The godfather was Richard Hamilton of San Francisco.

Sequoia Debate Teams Named

Sequoia High School lower class affirmative and negative debate teams for the several interclass debates scheduled for October and November have been chosen. Up for debate will be the question of a third term for President Roosevelt.

Freshman affirmative team will consist of Bob Conner and Bill Langston; negative, Louise Phillips and Winston Eshleman. Sophomore negative team will be made up of Frances Sullivan and Julian Ducray. Warren Saltzman and a yet-to-be named partner will uphold the sophomore affirmative.

First interschool debate will be with Lowell High School of San Francisco at Sequoia later this month.

Debate manager for the season will be Dan Drew.

BROTHERS FIND EACH OTHER

MOUNT SHASTA (AP) — Two laborers being called for forest fire duty thought it peculiar that there should be two men named Jungers in the same truck. They got to discussing matters, found they were brothers who were separated in Spokane 20 years ago.

The name "Moscow" means "the little bridge across the swamp."

ARE YOU WILLING TO PAY YOUR SHARE?
• • •
Ham and Eggs Will Take 1/4 Of All Your Earnings!

Count the cost, California taxpayers—and count it carefully.

For if 30-Thursday becomes law, YOU pay!

President Roosevelt warns: "It (30-Thursday) would constitute a 25 per cent income tax which would fall far heavier on the poor than on the rich."

Working Californians would pay the piper for every "dollar" warrant issued to the privileged class of non-workers which would be set up under this preposterous plan.

And in addition, a new 3 per cent gross income, or gross transactions tax—a vicious pyramiding tax, applying to each turnover—would be levied against every cash transaction. That would mean . . .

A NEW TAX ON FOOD
A NEW TAX ON CLOTHES
A NEW TAX ON BUSINESS
A NEW TAX ON THE FARMER
A NEW TAX ON THE CHURCH
A NEW TAX ON YOUR PAYCHECK

Don't be fooled. Don't be careless. Don't fail to count the cost. If 30-Thursday passes, YOU must pay the check!

New Chevrolet Is Shown Here

First showing of the new 1940 Chevrolet, will be made tomorrow in the show room of the Davies Auto Co., 1502 El Camino Real in conjunction with the initial nation-wide display of this popular low priced car.

Al Davies, president of the Davies Auto Co., in commenting on the new cars said, "Car buyers everywhere are going to get a real surprise when they see this new Chevrolet. It's an unbelievable value. The car is 4½ inches longer than last year's model, bigger inside as well as outside. It's the most beautiful low priced car ever designed."

A cordial invitation is given by Davies to everyone in Redwood City and vicinity to come in Saturday to see this remarkable new car.

From every desirable motor car quality including beauty, performance economy of operation and safety, the careful automobile buyer will find the new 1940 Chevrolet entirely to his liking, Davies declared.

Davies Auto Co. showroom, especially decorated for the announcement day showing, will be open tomorrow from 8 a. m. to 10 p. m. and Sunday 8 a. m. to 5 p. m.

3 Ribbons, 2 Cups Won by 3 Local Cats

With three entries, Mrs. C. H. Wakefield of Palomar Park, Redwood City, president of the local Humane Society, captured three blue ribbons and two cups at Treasure Island's cat show Sunday.

Despite the fact that were 189 cats entered in the show, Mrs. Wakefield's Frisco Lady was adjudged best silver female kitten, and her Frisco Kid was adjudged best silver male kitten, winning cups for their mistress. Each cat entered won a ribbon.

Retired S. P. Agent Passes

Frank B. Sherman, 75, retired Southern Pacific employe who had served as ticket agent at Redwood City, Belmont and San Mateo, died Monday at his Belmont home.

Mr. Sherman leaves a wife, Lothi; a daughter, Mrs. Paul A. Benitz; a son, John F. Linden, all of Belmont; and a sister, Mrs. Martin Miller, San Francisco.

Three 'Polio' Cases Discovered in R. C.

Discovery of three cases of poliomyelitis (infantile paralysis) last week in Redwood City was revealed here by the San Mateo County Health and Welfare Department, although the department indicated there was no cause for alarm that the disease might spread farther.

The three cases involve a seven-year-old girl and a three-year-old boy in one family, and a two-year-old girl in another family. All are being treated in Community Hospital, San Mateo, and are progressing "very well," Miss Hilda Schneider, department nurse, said.

The cases were discovered in the early stages, and immediate steps were taken to prevent possible spread of the malady. Schools attended by the children have been watching all other students who may have been contacted by the stricken children, Miss Schneider said, and some have been examined by private physicians, but nothing has been discovered to indicate the disease has spread.

Bond Vote Set At Menlo Park

MENLO PARK, Oct. 11—Menlo Park's city council last night unanimously adopted an ordinance calling for a special vote Nov. 7 in conjunction with the Ham and Eggs election, to determine whether the city will float a bond issue for a $10,000 recreational park project.

The council also passed two resolutions of intention approving the application of the Pacific Gas and Electric Co. for separate gas and electric franchises, to be granted them for an indeterminate period.

Nov. 14 was set for a hearing at which time any persons opposed to granting of the two franchises may appear before the council.

The franchise agreements stipulate that the PG&E will, upon granting of the franchises, make an outright payment to the city of $1300, and will pay annual sums amounting approximately to $1000 as a percentage of the receipts from the use and distribution of gas and electricity in the municipality.

Adoption of the special election ordinance set forth seven election precincts, and named inspectors and clerks for the polls. The seven places will be: 435 Oak Grove Ave.; the Menlo School; 241 El Camino Real; 638 Partridge Ave.; 107 Cambridge St.; Menlo Park Firehouse, and the Fremont School.

The council opened bids for the paving, grading, and improvement of Middle Ave., and awarded a contract to L. C. Smith of San Mateo. His was the lowest of three bids, with an estimate of $5063 for the work. This was $400 under the figure estimated by City Engineer Edwin H. Smith.

Work is slated to begin within 15 days after execution of the contract.

To stage the annual Armistice Day celebration, the council voted $50 expense money for incidentals, and $150 from the city's unbudgeted reserve which will be used along with $175 already budgeted for a barbecue and other expenses of the Nov. 11 fete.

A move to "throw overboard" existing municipal legislation which created a special fund for excavation work along city streets was accomplished when the council adopted a motion for an amending ordinance. With its final passage, money gathered in this fund will go into the general street fund.

Independents Open Fight on Oil Bill

Striking at moncpolistic control and threatened infiltration of dictatorship over industry, a Northern California campaign against state oil control is gaining impetus daily under leadership of the Independent Petroleum & Consumers Association.

The campaign is aimed to defeat Proposition 5 on the Nov. 7 ballot, a referendum on Assembly Bill 1926, which won adoption in the closing hours of the last State Legislature.

The bill would place control over the State's oil industry in the hands of a three-man commission.

Its adoption is being fought by independent oil dealers on the grounds that it would be ruinous to them and public welfare.

Development Planned Of Eagle Hill Tract

Plans to develop the former Beeger Estate on Eagle Hill, between John Gill School and Avenue Del Ora, as a tract of restricted homesites were disclosed Tuesday night at the meeting of the Redwood City Planning Commission when R. W. Perkins, 464 Clinton St., owner of the property, applied for the commission's approval for the development.

Perkins applied through W. B. Herbst, of the Monroe Realty Co. of Menlo Park, who is handling the project. Request for approval of a projected street into the property to serve the 17 lots drawn up was granted, pending final approval by the city council.

Herbst said that the Monroe Realty Co. will begin construction immediately on four homes facing on Avenue Del Ora, to be sold at prices up to $4500. The tract is known as Eagle Hill Villa Tract.

Legion Plans Annual Ball

Big events are lined up for Redwood City Post 105, American Legion.

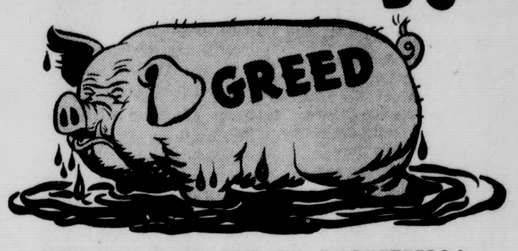
Largest of all is the annual Armistice Ball, to be held this year on Friday night, Nov. 10, at Foresters' Hall. Fred W. Crumb will be chairman.

The post voted at its Monday meeting to be represented at the Armistice Day celebration at Menlo Park, entering its disaster relief kitchen.

On Saturday evening the Legion will celebrate its 20th birthday at a 7 o'clock dinner at Veterans' Hall. All Legionnaires are invited.

Sons of the American Legion, Squadron 105, will install Saturday, Oct. 21, with the Menlo Park unit acting as installing officers. This will be a joint installation with the juniors of the auxiliary. The public is invited.

CURB the oil hog!



CRACK DOWN ON THE OIL RACKETEERS!

For years a few unscrupulous, profit-mad Oil Barons have been throttling California's leading industry — draining the life's blood from your greatest natural resource. These merciless, self-appointed dictators have needlessly wasted your oil and caused millions of barrels to become isolated in the earth, never to be recovered.

STAMP OUT THE OIL PIRATES!

PROPOSITION 5 will break the money-grabbing racket of these Oil Racketeers. It prevents corruption, prohibits waste, enforces conservation and insures the consumer low-priced gasoline.

Vets' Hospital Aide Is Killed

NORTH PALO ALTO, Oct. 11—Injuries incurred in a three-way crash at Stevens Creek Rd. and Bascome Ave. late Saturday proved fatal last night to Bryan L. Behre, 40, mess attendant at the Veterans' Administration Facility here. He succumbed in the Santa Clara County Hospital near San Jose.

Mr. Behre is survived by his widow, Mrs. Emma Behre, of Cupertino.

An inquest into the accident, which involved the cars driven by Harold Reed of Mountain View and Pablo Morales of Gilroy, as well as Behre's, is planned.

Reported to have been struck by the car operated by J. A. Graimm, Sun Valley, Ida., on The Alameda, San Jose, late yesterday, A. R. Drake, 261 Hawthorne Ave., Palo Alto, incurred severe lacerations on the legs and hips.

Reading Course Set For Local Teachers

The advanced teaching of reading, a University of California Extension course, will be taught in Redwood City this year by Mrs. Elizabeth C. Bent beginning at 3:30 p. m. Oct. 18 at the McKinley School in Redwood City.

The course is designed as an aid for teachers, and may be counted toward the administration credential. There will be a thorough review of modern practices in the elementary school with emphasis on the development of related reading activities, materials which may be used, and the testing program. The fee for the course of 15 meetings is $12.

Home Development Planned at Atherton

Anncuncement was made here that the Brassy & Niccoli Realty Co. of Redwood City has joined with Arthur Martin, of the City Realty Co. of San Francisco, to form the Home Development Co., Inc., to develop the Oakwood Park Tract adjoining Atherton west of the Southern Pacific railroad.

Construction on five homes will start immediately, Lino D. Niccoli and R. A. Brassy, the Redwood City partners, said. Subdivision of the area into 44 lots, each approximately 57 by 178 feet, has begun.

Construction of homes ranging in price from $4600 to $5250 will be handled by the World Construction Co. of San Francisco, affiliated with the new company. The construction company plans other ventures in this locality.

Purchase of the tract by the new firm was made from Karl A. Winter, Redwood City real estate dealer.

Peterson Balks At Appointing Gans Assistant

Status of the San Mateo County Department of Health and Welfare was thrown into further confusion here as County Manager Frederick Peterson refused to confirm the appointment of Dr. Irving H. Wiesenfeld as assistant to Dr. C. C. Gans, health director.

Peterson acted on recommendation of the board of health and welfare, which voted 3 to 2 last night against recommending the appointment. Dr. Gans made the appointment originally to be effective Oct. 1.

Peterson originally referred the appointment to the health board for a report. At the time, the health board refused to act until it could interview Dr. Wiesenfeld, state health department employe at Bakersfield, to inspect his qualifications.

300-MILE TRIP FUTILE

Last night it was apparent Dr. Wiesenfeld's qualifications had no bearing on the situation. After his 300-mile trip to Redwood City, he was informed the board believed no assistant director should be appointed at this time.

Various interpretations were placed on the action of the majority. Dr. Will Rebec, who moved confirmation of the appointment, declared the action contrary to the recommendations of the United States Public Health Service survey, which recommended immediate appointment of an assistant director. He said it was also opposed to a report of four doctors, the directors of the medical society, and the medical society as a whole.

MORRISON WALKS OUT

Dr. N. D. Morrison Sr., chairman of the medical society and member of the health board, walked out of the meeting after the adverse vote on Dr. Wiesenfeld.

After Dr. Wiesenfeld was voted down by the 3-2 vote, A. H. Randall explained that the action was not to be considered any reflection on Dr. Wiesenfeld, an honor student at University of California and one of five men in a class of 60 selected for special work in public health.

Miss Pansy J. Abbott, county school superintendent and ex-officio member of the health board, contended that the first responsibility of the board under the survey was to recommend a properly qualified man to serve as head of the department. At such time as there was an increase in population warranting such action, an assistant should be appointed, she said.

Dr. Rebec argued that the three majority members were guilty of subterfuge in requesting Dr. Wiesenfeld to appear before them, when it was apparent his qualifications were satisfactory and they had no intention of appointing anyone to the assistant directorship.

He accused them of aiding Peterson in a campaign to stall any improvement of the health department under Dr. Gans. He said the assistant was necessary, and that the federal government on two previous occasions had appropriated money for such an officer in this county.

Dr. Rebec quoted Plan C of the USPHS survey to support his point. The plan calls for immediate appointment of an assistant director to be placed in charge of public health.

Peterson today urged the health board to speed its work in nominating a health director.

"If they cannot nominate Dr. Gans, they should select someone else," he said, "although I don't wish to criticise the board."

The board's only nominee to date, Dr. John D. Fuller of Santa Cruz, withdrew.

MYERS INSTALLS OFFICERS

B. E. Myers, district governor of the Toastmasters' Club, will go to San Jose tonight to install officers of the unit there. Tomorrow evening, Myers is to serve in his official capacity and install officers at a double club meeting at the Venito Club Cafe in San Francisco.

HELD ON DRIVING CHARGE

Arrested in San Jose Sunday on a charge of driving while under the influence of liquor was Gunnar Pearson, 43, Redwood City laborer.

There is a clip-watch at least one-eighth of an inch smaller in outside measurement than a dime. It is said to be accurate and dependable.
